offering the best sanitary processing equipment and services.

EXPERTS IN SANITARY PROCESSING EQUIPMENT

OTP has partnered with the most-respected sanitary processing equipment manufacturers to offer a complete line of products. Combined with our unmatched level of service, OTP offers the sanitary equipment and expertise needed to help our customers compete and win in the marketplace.

With OTP, it is now simpler and more cost-effective to get the sanitary processing products needed, when they are needed, and to keep them functioning at their best.

INDUSTRIES SERVED

OTP supplies sanitary processing equipment, parts and services for a variety of industries and applications, such as:

Food and beverage, including dairy

- Cola
- Water
- Sauces
- Dressings
- Condiments
- Bakery
- Iced Teas
- Yogurt
- Fluid milk
- Specialty dairy drinks
- Cottage cheese
- Ice cream
- Cultured products
- Juices
- Specialty beverages
- Meat and poultry
- Breakfast foods
- And more!

Pharmaceutical and personal care

- Shampoo
- Conditioner
- Lotions
- Dental products
- Health and beauty care
- Hand sanitizers
- Surgical sanitizers
- Lubricants
- And more!

THE OTP REPAIR PHILOSOPHY IS SIMPLE:

- We fix it **right the first time**—to factory specs or better.
- We fix it **on time**—we make our schedule fit yours.
- We fix it **on budget**—if we quote it, we'll honor our quoted price
- We look for the **root cause** of failure—repairs are good, but we believe providing solutions is better

Send us your next repair and discover how OTP Industrial Solutions is more than just another supplier.
