Vacuum Pumps & Blowers

We Are OTP.
One Supplier. A Total Solution.

We Are OTP.

Premier Product Lines
Innovative Industrial Solutions
Full-Service Builds & Custom Fabrications

One Supplier. A Total Solution.

OTP Industrial Solutions has over 44 locations throughout the Midwest, South, Southwest and Northeast with 24 Service Shops to build new assemblies and serve all your repair needs. One of the largest, most successful and professionally managed independent distributors of industrial equipment, OTP can provide expedited repair, recommend a new unit or substitute a superior pump or blower to meet your demanding applications.

Vacuum Pumps & Blowers

OTP Industrial Solutions offers oil free and oil lubricated vacuum pumps, vacuum systems and blowers from the following industry-leading manufacturers:

OTP maintains 24 repair locations across the country specializing in all rotating equipment repair. Ask about our exclusive (RAM) Repairable Asset Management Program to learn more about how we can reduce your MTBF while lowering your overall costs of maintaining your rotating equipment. We repair all manufacturers of vacuum pumps and blowers. We are an (ASC) – Authorized Repair Center for Hoffman-Lamson.
